Dear Sir

I joined a Company about two years ago,
But was not mustered into the service
Since that I have served in the Militia
until my Company was disbanded. The Com-
pany had not been organized so I never served
in it I was arrested on the 1st of this
month for desertion. I served previous to
joining this company my time ⁱⁿ the home
guards afterwards my time in the Militia
I have plenty of proof that I was never
mustered into this Company of which
I am charged with deserting. And that I
served my time out in the above
mentioned Companies. I can also prove
my loyalty. Will you please take
some measures for my release. Please write
to me what you will do.

Yours & Respectfully
Jas. J. Pack

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A master-in must, in all cases, precede payment of pay, bounty, pension, &c. A master-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of master-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Name, Thomas Heiffer

Rank, Private

Where gone, Jefferson City, Mo.

Length of Furlough, 31 days.

A. B. 26th Mo. 1864.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Re B-26th Regt Mo Inf

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, at the same time, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

See "G" 26th Regt. Mo. Vol. Inf.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

By furnished communication
of enclosures. April 30th 1863

Sir: I hereby most respectfully tender, (through
the proper authorities) my resignation as 1st Lieut. Co. "H." 26th Mo.
Vols. Infy. - and for the following reason:

That I am Physically Disabled, (as per accom-
panying Medical Certificate,) for any active field service, from
the effects of a Gun-shot wound in the left thigh, which has
rendered me incapable of enduring severe marching, or any
continued exertion or use of this limb, - it having totally
failed me in returning from the front after our last Campaign.

I have not in my possession or under my control
any Government property; and, am not indebted to the United
States in any sum, or on any account whatsoever. And I was
last paid by Maj. John Brotherhood, to include Dec: 31st 1863.

Accompanying please find a certified Copy of Statement
from Ordnance Office concerning accountability.

I Am, Sir,

Very Respectfully,

Samuel W. Reed

Colonel

I beg leave to report to you that I was called today
to see Sergeant John Rees of Co. G, and greatly fear that
his is a case of Varioloid.

although the eruption as yet presents no distinctive character
I think it proper to regard the case & as one of varioloid & have
had him taken to the Hospital set apart for such cases.
He has heretofore (since Mar 18th) occupied a tent to himself
and therefore my little fear need be felt of a spread
of the disease from him.

I am very respectfully
Yours O. B. Smith

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Frederick Herrick. W. S. 26 M. 10. Amputation
of thigh. Died of Pyaemia December 31. 1862.

The man was sent by Railroad from Cincinnati Ohio
and suffered much from the journey, after being in
the hospital for several days, he seemed to rally and a con-
sultation was had in his case, when it was decided
that the only chance for life was amputation. The Surgeon
of the Ward stated that he had no diarrhoea, that his appetite
was good. - He received a slight flesh wound from a rifle ball
at Cincinnati, ball passing across the rectus abdominis 5th inches
above the knee, when received at N. H. there was lateral
dislocation of the knee, there was a large abscess in the
popliteal space, with profuse suppuration. I supposed
that there was ulceration of the cartilages around of
the bone, and an examination proved to be the case.
The operation was performed by the double flap, with
very trifling loss of blood, but before the patient was
removed from the table, he passed about 100 cc.

of same purulent matter per anum, which
was horribly offensive; this was repeated 4 times between
8 and 11 A.M. He died between 1 and 2 P.M.
He was of a stannous habit.

The case is interesting as showing the result of deep
seated injury arising from a superficial wound,
which it appears healed readily and quickly.

I CERTIFY ON HONOR, That I have carefully examined the above named Recruit, agreeably to the General Regu-
 lations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way
 disqualify him from performing the duties of a soldier.

 previously to his enlistment, and that he was entirely sober when enlisted. That, to the best of my judgment and belief, he is
 of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-
 served the Regulations which govern the recruiting service. This soldier has blue eyes, dark hair, dark
 complexion, is 5 feet 7 inches high.

Examining Surgeon.

I CERTIFY ON HONOR, That I have minutely inspected the Recruit, Joseph Roach
previously to his enlistment, and that he was entirely sober when enlisted. That, to the best of my judgment and belief, he is
of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly ob-
served the Regulations which govern the recruiting service. This soldier has Hazel eyes, Light hair, Fair
complexion, is five feet 9 1/2 inches high.

CERTIFICATE OF DISABILITY FOR DISCHARGE

IN THE CASE OF

James A. ...
a ... Co. ...

Regt of ...

to be ...

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h.*, *l.*, *d.*, *c.*; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 12th Regulations, Ed. 1st.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three copies to the regimental, detachment, or post commander, who will forward them, with the action ordered thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers sent may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of them to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

FINAL STATEMENT

John A. ...

John A. ...

John A. ...

VOLUNTEERS.

Dec. 18 1863

NOTE 1.—Two of three certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statement, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family, and reported on the muster roll on which the discharge is reported, &c., should be reported as well as on the final statement, otherwise they cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.
